The Honorable Judge Tom Webb ,
District Magistrate
Box 517
Sublette KS 67877

Dear Judge Webb:

Thank you for taking the time out of your busy schedule to assist us in training the participants of the KARL Program. Great learning experiences are measured by the people that share their experiences, insight, philosophies and values.

We wanted you to know that your contribution added greatly to the success of the session and seminar. One participant said, "Judge Webb is probably the best speaker I have ever heard. I hope to carry his message with me for as long as I live".

As the class members emerged from the evening it is easy to observe their energy, their analytical skills and their growth as leaders.

Thank you again for your support. We trust that we will be working with you again in the future.

Sincerely,

Jack W. Lindquist
President
