Sublette, KS 67877

Dear Judge Webb—

I want to thank you for your contribution as a presenter for the 27th Annual Governor's Conference for the Prevention of Child Abuse and Neglect. The evaluations have been compiled and reviewed and they proclaim that the conference was a success.

Our attendance topped out at 400 professionals including social workers, nurses, healthy start home visitors, attorneys, mediators, foster parents, law enforcement, psychologists, educators and many others.

It is only with the heartfelt contributions of talented, knowledgeable professionals such as yourself that we continue to be able to offer those who work directly with children and families to prevent child abuse and neglect in our state an educational experience of high quality.

Thank you again for taking time out of your busy schedule, for speaking so eloquently on the urgency of issues facing children and families in our communities, and for sharing our vision of improving the quality of life for children and families in Kansas.

Sincerely,

Rachelle Rake Hernandez
