Dear Tom:

First of all, I want to thank you for your contribution to a great start of the school year. Your address to the staff was very motivating and uplifting. Attitude can make such a difference in our job performances and in the impact we can have on the young lives we touch every day. Your words made this very clear to all of us. Far too often, many of us forget the significance of our influences on students and those around us. Please continue to pass on your message of how a single action can make such an impact of an individual life.

Our staff rated the in-service presentations on a scale of 1 to 5. The overall rating of your presentation was a 4.9, the highest of any presentation we have ever had. Here are a few of the comments made by the staff on the in-service evaluation form.

- “Loved Tom Webb!!”
- “I enjoyed and felt that I benefited from his presentation.”
- “He is great! I wish our kids could hear him!”
- “Tom Webb’s presentation was very uplifting and thought provoking.”

- “The featured speaker was the best I’ve heard in a LONG TIME!”
- “Best in-service speaker we’ve had. Thanks for bringing him to our district.”

- “Great speaker—Judge Webb has been the best presentation yet!! Thank you!”

Word has gotten out that you are returning to the district to speak to the middle and high school students. Everyone is very pleased.

Thank you again for your uplifting message to our district.

Sincerely,

Toni Bowling
